RACE RULES!!!!

1. Race will be run against official stop watch time.
2. Only one stud at a time on the track.
3. When ready to run, participant don EAB mask. Starter will pull your hose clear after minimum 15 seconds normal breathing. Timer will provide countdown commencing at T-10 seconds. Official time commences when starter pulls your hose clear of manifold, and ends when you cross Crew's Mess "Finish Line" after completing track run to Torpedo tube #7. "Pit stops" for air replenishment may be made as desired, however EAB mask must remain in place at all times.

WARNING:

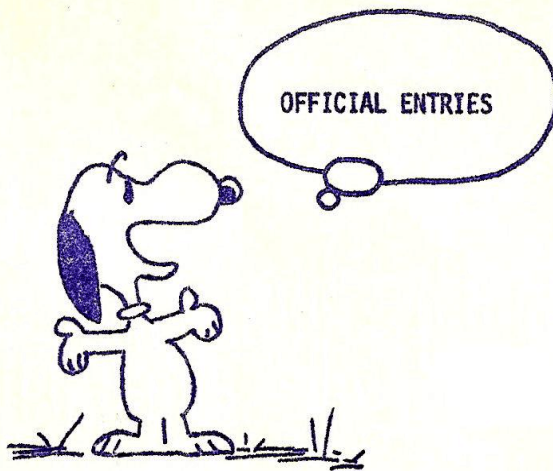

EAB manifold stop valves may be SHUT - all entries are cautioned to study the track!!
