

Shipmates,

I'm sorry that I could not make it to the SARGO reunion. I send my best to the greatest shipmates and friends that I found in the Submarine Force. I can make this statement with confidence as I spent 30 years looking for someone to top our crew and never succeeded in finding anyone better.

Thanks for giving me the submarine skills that I needed to last as long as I did. Warm regards and all the best!

John Brandes

Old Friends,

I may not be able to attend the Reunion. I've already made my reservations and paid for the cruise.

I'm going to try to make it, but right now it doesn't seem likely.

I've attached a picture of my family. Boy, did I get old.
